

There's a Place for Every Face at the Cathedral Academy at Pompei

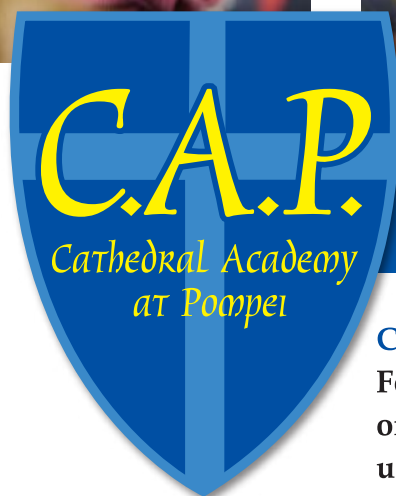

Accepting Pre-K
Applications for
2007-2008

At the Cathedral Academy at Pompei (CAP), the doors are open to a new approach to Catholic education in the Diocese of Syracuse. The richness of the past unfolds the vision for the future within the walls of the diocesan academy, located on the northside of the City of Syracuse. There's a place for every face at CAP, and each child's unique qualities are celebrated as a gift from God. Our NYS certified faculty is specially trained to provide culturally responsive teaching and learning in classrooms rich with diversity and faces from every corner of the globe.

Our newly established, full-day Pre-K program for three and four-year-olds partners academics with creativity and fun! In preparation for kindergarten, students are given strong educational foundations and are exposed to innovative science, technology, and fine arts programs in a Christ-centered environment. With a three-day or five-day option, our Pre-K program lets you choose what is best for both your child's development and your busy schedule.

Tuition assistance is available, including scholarships offered through the Guardian Angel Society, for those who qualify.

Full-Day Pre-K
Full-Day Kindergarten through Grade 6

Cathedral Academy at Pompei, 923 N. McBride St., Syracuse, NY 13208-2670
