Fifth grade artist, Ashley Arkhurst, describes her cover creation in this way:

*In the palms of God's hands are all the very different children in this world, most smiling, but a few with sad faces.*

*The surrounding circle of figures symbolizes God's boundless love for us.*

*In that circle are a few signs of the Creator's love: birds, evergreens, a love bracelet, and four shining items, "just to decorate the circle".*

---

God tells us in the Bible:

"Fear not . . . I have called you by name:  
you are mine . . .

You are precious in my eyes and glorious . . .

I love you . . .

See, upon the palms of my hands  
I have written your name".

(Isaiah 43 and 49)

If we believe these words and recognize that every person is held in the palms of God's hands, our hearts and our world would be at peace.

## *Ashley Arkhurst,*

grade 5, at racially diverse Cathedral School, tapped into her creative talent for this sixth annual "kids with wings" Christmas Card. About 75% of the 100 K through 6 pupils come from families below the poverty level. A Guardian Angel Society of supporters helps

provide needed scholarships and better educational opportunities for these children.
