

CHRISTMAS

*"They were overjoyed at seeing the star,
and on entering the house they saw the
child with Mary his mother."*

(Matthew 2:10-11)

Magi from the east were delighted to find
this young Jewish mother with her child.

Muslims, following the Koran, hold Mary in high regard.

Almost all Christians today quite naturally
honor her as the mother of Jesus.

May this unique woman
lead all people in our modern world
to rejoice in their similarities while
respecting their differences.

We pray, hope and long for that.

Eisa Adam, grade 6, at racially diverse
Cathedral School, tapped into his creative talent
for this eighth annual
"kids with wings" Christmas Card.

Close to 80% of the 100 K through 6 pupils
come from families with limited income
and in need of assistance.

A Guardian Angel Society of supporters
helps provide needed scholarships
and better educational opportunities
for these children.
