Merry Christmas

Pre-Christmas pressures can cause us to forget what the feast and the season is really about.

Sometimes only a young person can open our eyes and our hearts to the true meaning of this celebration.

The Magi from the east "were overjoyed at seeing the star, and on entering the house they saw the child with Mary his mother. They prostrated themselves and did homage. Then they opened their treasures and offered him gifts of gold, frankincense and myrrh."

(Matthew 2:10-11)

Aman Ayol, a grade 5 student in racially diverse Cathedral Academy at Pompei (CAP), tapped into his creative talent for this ninth annual "kids with wings" Christmas card.

About 70% of the 152 pupils, Kindergarten through 6, come from families with limited income and in need of some assistance.

The Guardian Angel Society helps provide necessary scholarships and better educational opportunities for these children.
