***All proceeds go to student tuition assistance. Checks payable to Our Lady of Pompei/St. Peter's*

The Syracuse Diocese remains committed to this school's success. Blended from two parishes, the rich Catholic tradition is visible throughout the building where multilingual children from twenty nations come to learn. Academic achievement is significantly higher than national, state, and local urban schools. And yes, there is another basketball championship to celebrate!

These accomplishments are no surprise. The committed educational staff includes a gifted choral director and artist in residence as well as strong parish support for evangelization. Academic and social support, comes from Jesuit Novices and Le Moyne professors, students, and staff. In addition the opportunity for Guardian Angel scholarships and Le Moyne College future scholarships encourage students to succeed.

Join us to learn more about our exciting new adventures such as the new summer literacy program and future plans for continued academic success. Come, meet our students. See how our three collaborative partnerships will continue to build on our past as we move toward providing for the children of the future at Cathedral Academy at Pompei.

Let's Celebrate Our Children's Futures!

RSVP by April 30-Call 422-8548 or send the enclosed card and envelope.
